

IBF **50** *Years*

ANNIVERSARY GALA

CELEBRATING 50 YEARS

ELEVATING SKILLS AND EMPOWERING CAREERS IN THE FINANCIAL SECTOR

IBF will be celebrating its 50th anniversary in October 2024. To commemorate the occasion, we have planned a series of events and initiatives that we will be rolling out throughout the year under two main themes: Elevating Skills and Empowering Careers.

Under the Skills theme, we intend to drive awareness for in-demand skills, such as Sustainable Finance and emerging Tech skills through specially curated activities and events which we will be holding with the industry throughout the year.

Under the Careers theme, we will provide career support for finance professionals through a number of programmes and initiatives that will be announced at the platforms mentioned above.

ANNIVERSARY GALA

All these initiatives will culminate in our 50th Anniversary Gala where we will invite our past Chairmen, IBF Distinguished Fellows, Fellows, and partners to celebrate this milestone with us. We will also be holding the IBF Awards 2024 Ceremony at our 50th Anniversary Gala.

Through the IBF Awards, IBF has been recognising individuals and institutions who have demonstrated a deep commitment to raising industry standards and who have contributed substantially to the development of Singapore's financial industry.

More details of the event will be shared with participants in September 2024.

INDUSTRY SUPPORT

All our workforce development efforts would not be possible without industry's support. For this year's gala, we are seeking industry's support through 3 tiers of sponsorship as listed below.
