CACS CPD for Covered Persons under PB Code of Conduct

INFORMATION ADVISORY NOTE

CACS CPD for Covered Persons under PB Code of Conduct

1. OVERVIEW

- 1.1 Under the Private Banking Code of Conduct (“PB Code”), Covered Persons are expected to fulfil annual Continuing Professional Development (“CPD”) requirements after passing the Client Advisor Competency Standards (“CACS”) Assessment. The CACS CPD requirements are designed to ensure that Covered Entities¹ and their Covered Persons² providing financial/wealth advisory services to accredited investors (“AIs”) conduct their business activities with integrity and professionalism and that Covered Persons possess a requisite level of knowledge and skills.

2. CACS CPD REQUIREMENT

- 2.1 As part of the annual CACS CPD requirement, Covered Persons are expected to achieve a minimum of 15 CACS CPD hours, of which a minimum of 8 hours should be in training that is accredited under the IBF Standards Training Scheme³ (“IBF-STS”) and a minimum of 4 hours should be in training related to Rules & Regulations, Compliance or Ethics.
- 2.2 Covered Persons who are newly appointed as Relationship Managers⁴ or who have less than 3 years of experience as Relationship Managers as at 31 Dec 2018 are required to complete a minimum of 15 hours of their annual CACS CPD in training that is accredited under the IBF-STS and be IBF Certified in Private Banking within 3 years⁵.
- 2.3 New Covered Persons or individuals who have worked for 6 or less working months in any calendar year may qualify for a prorated CACS CPD obligation for that year based on the table below. Any unfulfilled CPD hours for that year may be carried forward and completed in the next calendar year.

¹ A “Covered Entity” refers to any financial institution or a division thereof which is regulated by the Monetary Authority of Singapore (MAS), where the financial institution or division provides services to accredited investors.

² A “Covered Person” refers to an individual who is (i) in a client-facing role and (ii) provides financial/ wealth advisory service(s) to accredited investors on behalf of a Covered Entity.

³ With effect from 1 January 2019

⁴ This includes individuals who transit from other roles (e.g. Assistant RMs, Investment/ Product Specialist or Priority Banking RM) to a Relationship Manager role.

⁵ For the avoidance of doubt, a Relationship Manager that is newly appointed in 2019 would need to be IBF Certified in Private Banking before 31 Dec 2022. An existing Relationship Manager with less than 3 years of experience as at 31 Dec 2018 would need to be IBF Certified in Private Banking before 31 Dec 2021.

3. ELIGIBLE CACS CPD ACTIVITIES

3.1 CACS CPD activities should generally meet the following criteria:

| | |
|-------------|--|
| Relevant | Required to carry out current role effectively and/or expand current skill set |
| Certifiable | Conducted by trained individuals or professionals knowledgeable of subject matter |
| Measurable | Meet stipulated learning outcomes and specified number of hours |
| Verifiable | System in place to track attendance and provide attendance certification upon completion of activity |
| Time Bound | Completed within the relevant calendar year |

3.2 In view of the different CACS CPD needs of Covered Persons of varied seniority and industry experience, the CACS CPD requirements can be met through the following types of CPD activities:

3.3 With respect to the Training & Education category, all programmes recognised⁶ under the IBF-STs or Financial Training Scheme ("FTS") are eligible for CACS CPD.

3.4 The Covered Entity's Designated Representatives are required to determine the eligibility of CPD activities based on the CACS CPD guidelines. The CPD hours granted should be based on duration recommended by the training / content developer or other reference points and should be awarded in ½ hour blocks. Designated Representatives may consult with IBF if they are unsure about the eligibility of any activities.

⁶ To find out more about IBF-STs or FTS, please visit www.ibf.org.sg.

3.3 The table below sets out examples of activities that would be (and would not be) eligible for CACS CPD recognition. Please note that this list is not exhaustive.

4. REPORTING OF CACS CPD HOURS

4.1 Both Covered Entities and Covered Persons are expected to maintain appropriate records (e.g. certificate of attendance/ completion, appointment letter or copy of published article etc.) of how the expected CACS CPD hours are met. This should include:

- (a) Name of the course attended;
- (b) Date of the course;
- (c) Type of Activity; and
- (d) Number of hours attended.

4.2 The Covered Entity's Designated Representatives are expected to collate and report the CACS CPD fulfilment of their Covered Persons for the calendar year by 31 January in the following year. In the event that a Covered Person leaves the Covered Entity during the year, the Covered Entity is required to issue a confirmation letter detailing the Covered Person's CPD records (including any extra hours brought forward from the previous year). IBF reserves the right to perform audits on Covered Entities and Covered Persons to ensure that CACS CPD requirements are met.

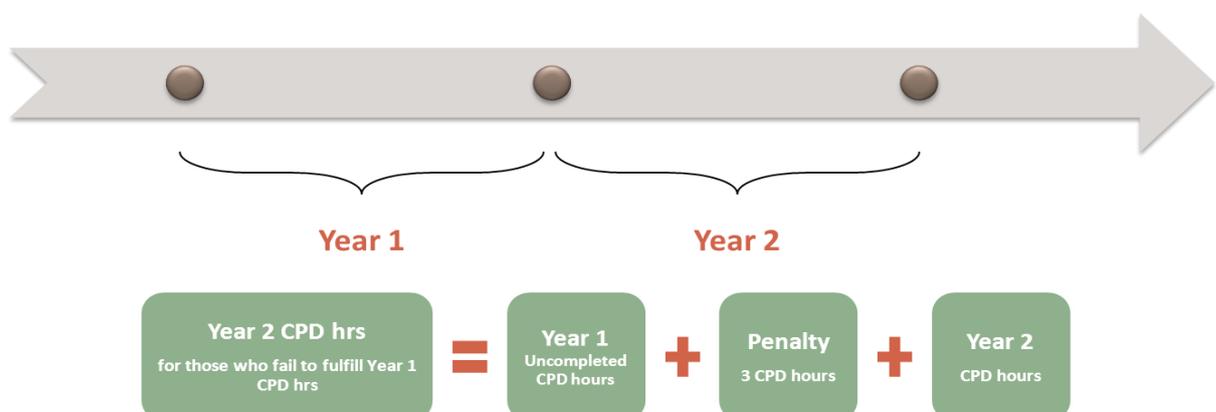

4.3 As the CACS Administrator, IBF may submit reports to the authorities or industry committees (e.g. Monetary Authority of Singapore and Private Banking Industry Group Executive Committee) from time to time. Personal data relating to individuals that is submitted to IBF for the purposes of CACS CPD reporting will not be disclosed to other parties without the Covered Person's prior consent.

5. FOLLOW UP FOR NON-COMPLIANCE

5.1 A Covered Person who does not fulfil his CACS CPD requirement will be required to make up the shortfall of CACS CPD hours and fulfil an additional 3 CPD hours, in addition to the following calendar year's requirement.

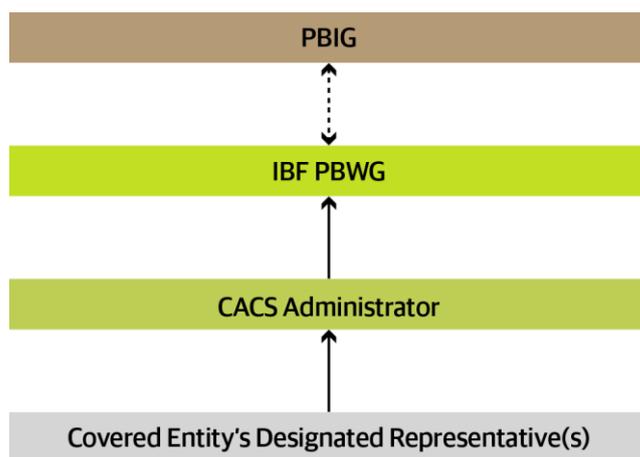

The additional 3 CPD hours would not apply to Covered Persons who qualify for a prorated CPD obligation.

Illustration for Non-Compliance of CACS CPD requirement

- 5.2 A Covered Person who does not fulfil his CACS CPD requirement for 2 consecutive years will be required to re-take and pass the CACS Assessment. According to the PB Code, the Covered Person should not be allowed to service clients till he has re-taken and passed the CACS Assessment.
- 5.3 Covered Entities are encouraged to review the outstanding CACS CPD requirements of new Covered Persons hired, including any uncompleted and penalty hours that may be brought over from the previous year.

6. GOVERNANCE STRUCTURE FOR CACS CPD IN THE PRIVATE BANKING INDUSTRY

6.1 PRIVATE BANKING INDUSTRY GROUP (“PBIG”)

- 6.1.1 The PBIG is an industry body that reviews and undertakes initiatives to develop and foster the sustainable growth of the Singapore Private Banking Industry.

The terms of reference of the PBIG include:

- To serve as the custodian of the Private Banking Industry Code of Conduct (“PB Code”);
- To enhance the stature, reputation and growth of the Singapore Private Banking Industry; and
- To serve as a channel of communication amongst industry players and with the Monetary Authority of Singapore (“MAS”).

6.2 IBF PRIVATE BANKING WORKGROUP (“IBF PBWG”)

- 6.2.1 The IBF Private Banking Workgroup oversees the implementation of CACS CPD and advises IBF on initiatives to develop competencies for the private banking industry.

6.2.2 The terms of reference of the IBF PBWG include:

IBF Private Banking Standards

- To provide guidance on competencies required for Private Banking

CACS Assessment

- To provide guidance on the content and coverage of the CACS assessment so that it remains relevant

CACS Continuous Professional Development (CPD) Framework

- To provide guidance on the implementation of CACS CPD policies for Covered Persons under the PB Code
- To provide guidance on training focus areas and coverage for CACS CPD

6.3 CACS ADMINISTRATOR

6.3.1 The Institute of Banking and Finance (“IBF”) has been appointed as the CACS Administrator and serves as secretariat to the IBF PBWG. The CACS Administrator will be the first point of contact in administering the established CACS CPD criteria and handling all CACS CPD queries.

The responsibilities of the CACS Administrator includes:

- To align of CACS CPD to IBF Standards where relevant;
- To support IBF PBWG on all CACS CPD matters and queries;
- To provide CACS CPD updates to the IBF PBWG and PBIG;
- To monitor the fulfilment of annual CACS CPD requirements by Covered Persons;
- To conducts annual CACS CPD audits; and
- To update and document revisions to CACS CPD policies

6.4 COVERED ENTITY’S DESIGNATED REPRESENTATIVE(S)

6.4.1 The Designated Representative(s) of a Covered Entity should be a member of the management team with functional oversight over Human Resources (HR), Learning & Development (L&D), Compliance or in the managing of Covered Persons.

The responsibilities of the Designated Representative(s) include:

- To assess and endorse CPD activities which have not been recognised under the IBF Standards Training Scheme (“IBF-STs”) or Financial Training Scheme (“FTS”) to ensure compliance with the CACS CPD guidelines; and
- To oversee and ensure the accurate reporting of CACS CPD fulfilment of Covered Persons of the Covered Entity.

7. FREQUENTLY ASKED QUESTIONS (FAQs)

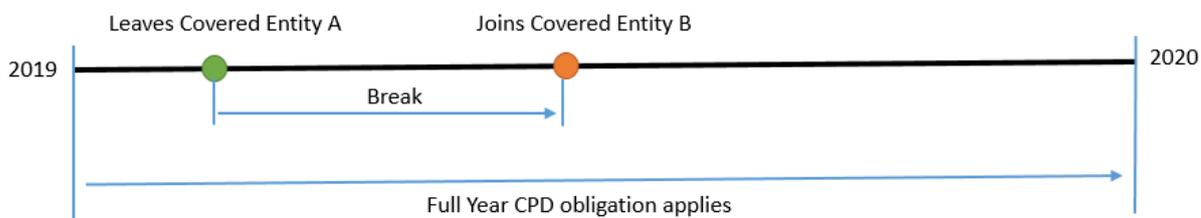

7.1 We have attached a list of FAQs in Annex A to address common queries relating to the CACS CPD. Please email us at cpd@ibf.org.sg if you need further assistance.

Frequently Asked Questions (FAQs)**SECTION (A) – CACS CPD REQUIREMENT**

- Q1 Are Non-Covered Persons who took the CACS Assessment required to fulfil CACS CPD?**
- A1 Non-Covered Persons who pass the CACS assessment are not required to fulfil CPD obligations. In the event that he becomes a Covered Person within 3 years, he will be required to fulfil pro-rated CPD hours for that calendar year. However, if he fails to become a Covered Person within 3 years, he will have to re-take and pass the CACS assessment even if he had voluntarily fulfilled CPD in the last 3 years.
- Q2 Will an overseas private banker who is temporarily transferred to Singapore’s branch be subjected to the CACS CPD requirement?**
- A2 If the private banker is required to take the CACS Assessment, then he will be subject to the CACS CPD requirement as well during the period for which he is working in Singapore.
- Q3 Can the CACS CPD activities undertaken before the Covered Person passes his CACS Assessment qualify for the CACS CPD obligation under the PB Code?**
- A3 Yes, CACS CPD activities undertaken prior to passing CACS can be counted towards meeting his CACS CPD obligation if the CACS CPD activities were undertaken within the same calendar year.
- Q4 A Covered Person clocks CPD hours within the interim period of passing his CACS Assessment and his appointment as a Covered Person. Can these CPD hours qualify towards his CACS CPD fulfilment?**
- A4 Yes, provided that such CPD-qualified activities are undertaken in the same calendar year as the Covered Person’s date of appointment.
- Q5 Can a Covered Person carry 'surplus' CACS CPD hours from one year to the next?**
- A5 No. ‘Surplus’ CACS CPD hours cannot be carried to the next year.
- Q6 If a Covered Person has been exempted from taking the CACS Assessment (either having undergone NEC or IBF certification), does he still need to fulfil CACS CPD obligation?**
- A6 Yes, all Covered Persons are required to fulfil their CACS CPD obligation under the PB Code.
- Q7 Having passed the CACS Assessment, a Covered Person goes on to complete an IBF Standards accredited programme in Wealth Management – Private Banking attain IBF Certification. How will this count towards the fulfilment of CACS CPD requirement?**
- A7 A Covered Person who attains IBF Certification will be deemed to have fulfilled his CACS CPD requirements for 2 years – the year in which he completed the programme and the year in which he attained IBF Certification (Note: this may include the year after he attained IBF Certification if the program completion and attainment of certification took place in the same year).

Q8 When a Covered Person leaves Covered Entity A to join Covered Entity B, and takes a break in between, will his CPD requirement be prorated accordingly?

A8 Where a Covered Person leaves Covered Entity A to join Covered Entity B, he continues to remain in the role, and his CPD requirement would be calculated by adding his total working months in both Covered Entities A and B, and the duration of the break. In the event that the duration of the break exceeds 3 years, the Covered Person will have to pass the CACS Assessment again.

Examples of Covered Persons who are considered to remain in the role include (i) those who join Covered Entity B after serving garden leave with Covered Entity A, and (ii) those who secure employment with Covered Entity B while still under the employment of Covered Entity A, even if they do not start work immediately after leaving Covered Entity A.

These examples are not exhaustive, and Covered Entity B should assess whether a Covered Person can be considered to have exited the industry, taking into consideration factors such as the period of time that has lapsed since the person has left Covered Entity A, reasons for leaving Covered Entity A, nature of employment/activities undertaken since the person has left Covered Entity A, among others. If a Covered Person is assessed to have remained in the role, the break between Covered Entity A and Covered Entity B should be included in the calculation of CPD hours.

Q9 If a Covered Person left the private banking industry but is planning to re-join the industry, what is his CACS CPD obligation?

A9 A Covered Person is subject to CACS CPD obligations if he works in a Singapore-based Covered Entity. As such, he is not subject to CACS CPD obligations if he exits the industry, but will have to resume his CACS CPD obligation when he re-joins the industry.

In addition, if he is away for more than 3 years, his CACS assessment will be nullified and he will need to re-take the CACS assessment. His CACS CPD obligation will then resume after he passes his CACS assessment.

In the case of Covered Persons who assume a client-facing advisory role overseas, they will not need to re-take the CACS assessment even if they are away for more than 3 years.

Q10 Under what circumstances will a Covered Person's CPD requirements be prorated?

A10 In a given year, a Covered Person's CPD requirements may be prorated under the following circumstances:

- **Maternity leave** for a period of six (6) months or more;
- **Certified long-term medical leave** for a period of six (6) months or more;
- **Sabbatical Leave** for a period of six (6) months or more; and
- **Overseas secondment** for a period of six (6) months or more.

Under such circumstances, CPD hours clocked during this period of absence can still be counted towards fulfilment as long as the individual is considered a Covered Person.

SECTION (B) – CACS CPD ACTIVITIES

Q11 How can a Covered Person find out if an activity or program is eligible for CACS CPD?

A11 All IBF Standards accredited (IBF-STs) programmes and Financial Training Scheme (FTS) programmes are eligible for CACS CPD. A list of these programmes is available on www.ibf.org.sg. For other activities or programmes, the Covered Person should approach his Covered Entity's Designated Representative(s) for guidance on whether these meet the criteria set out in the CACS CPD guidelines.

Q12 Can an overseas course count towards fulfilling CACS CPD requirement?

A12 Yes. Courses which meet the criteria set out in the CACS CPD guidelines whether taken locally or overseas will count towards CACS CPD hours.

Q13 A Covered Person spends hours each day reading newspapers, journals, research papers etc. What CACS CPD hours does he get?

A13 Reading of newspapers, journals and research papers will not qualify for CACS CPD hours.

Q14 Can time spent on preparing for an instruction activity be recognised for CACS CPD hours?

A14 As a guiding principle, activities should be measurable and verifiable to be considered eligible CACS CPD activities. If the time spent on preparing for the instruction activity can be measured and verified with supporting documents, it can be recognised as CACS CPD hours.

Q15 Is there a cap for CPD hours granted for the CPD activities Structured Mentoring, Research & Publications and Case-study Contribution?

A15 Yes, up to 5 CPD hours may be granted for every mentoring assignment, published article or case-study contribution.

Q16 Is there a limit to the number of runs of the same training programme that can count towards CACS CPD?

A16 As a participant, only one run of the same programme attended within the year can count towards CACS CPD. The same programme may be considered towards CACS CPD again in subsequent years. However, as an instructor, there is no limit to the number of runs of the same programme instructed within the year.

Q17 For CACS CPD activities, should the time allocated for refreshment and networking be excluded for calculation towards CACS CPD fulfilment?

A17 Yes, all time allocated for refreshments and networking should be excluded when calculating eligible CACS CPD hours.

Q18 Is there a minimum criterion for trainers of internal or external courses recognised for CACS CPD?

A18 Trainers should minimally possess the relevant qualification or experience in the subject matter.

Q19 What are the supporting documents required for an activity under the Training & Education Category to be considered verifiable?

A19 Supporting documents may include the employer's acknowledgement or sign-off, certificate of attendance or completion, or where there has been an assessment, a copy of the result slip.

Q20 How does a Covered Person show evidence of participation under the Leadership category?

A20 A Covered Person who is a member of an industry committee could produce supporting documents from the Secretariat of the committee to reflect the hours of his involvement.

Q21 How long does a Covered Person need to retain the supporting documents for CACS CPD activities?

A21 All CACS CPD supporting documents should be retained for a minimum period of 3 years for audit purposes.

SECTION (C) – MONITORING & REPORTING

Q22 Whose responsibility is it to monitor the Covered Person's CACS CPD requirements?

A22 Both Covered Entities and Covered Persons will have to maintain records of how the expected CACS CPD hours are met. Covered Entities are required to monitor and ensure that all Covered Persons who act on their behalf meet the expected CACS CPD hours.

In the event that the Covered Person leaves Covered Entity A to join Covered Entity B, Covered Entity A should issue a confirmation of the Covered Person's CACS CPD records before he leaves. It is Covered Entity B's responsibility to ensure that the Covered Person fulfils his outstanding CPD obligation for the year.

Q23 How will covered entities be able to find out if a newly recruited covered person carries along penalty hours?

A23 IBF will notify covered entities of any penalty hours imposed on covered persons reported by end April. Annex 2C has also been revised to include a field on "Penalty Hours". The Designated Representative of a Covered Person who is leaving should indicate in this field if he is subjected to any penalty hours.

Q24 Is there a specific format for the bank to adhere to when issuing the confirmation letter of the Covered Person's CACS CPD records?

A24 A sample template is available on the IBF website. However, the bank may provide the confirmation letter using its own format as long as all fields in the sample template (e.g. Indication of penalty hours, Initial of the personnel declared, contact details and company stamp) are clearly indicated.

Q25 Does a Covered Person or the Covered Entity report the status of their CACS CPD hours to the CACS Administrator ("IBF")? How frequently should this report be submitted?

A25 The Covered Entity's Designated Representatives are expected to submit CACS CPD reporting of their Covered Persons annually for the calendar year by 31 Jan in the following year.

Q26 What is the scope of audit and when will the Covered Entity be informed of any audit findings?

A26 The scope of audit will typically cover processes and procedures in place to endorse CPD activities (i.e. evidence that activities meet the CPD guidelines e.g. endorsement by Designated Representative) and monitor CACS CPD fulfilment (i.e. supporting documents for activities e.g. Certificate of Completion/ Attendance/ Result slips). IBF will follow up on the audit findings with individual Covered Entities upon completion of the audit process.

SECTION (D) – IBF CERTIFICATION

Q27 What is IBF Certification?

A27 The IBF Certification is an industry endorsed mark of quality for financial practitioners in Singapore.

Individuals who successfully complete the requisite IBF accredited programmes and meet the relevant criteria may apply for IBF Certification.

The IBF Certification is awarded to individuals who have acquired the relevant core competencies required for jobs in their respective industry segments, and are expected to uphold values of professional excellence, integrity and commitment to the industry.

Q28 If a Covered Person has already obtained IBF Certification in Private Banking prior to 1 Jan 2019, will he be required to be re-certified?

A28 A Covered Person who has already obtained IBF Certification in Private Banking will not be required to be re-certified. However, he will still be required to fulfil his annual CACS CPD obligation.

Q29 Can a Covered Person qualify for IBF Certification if he has attended a mix of IBF-STS training programmes conducted by different training providers?

A29 A Covered Person can apply for the IBF certification as long as he fulfilled all the competencies as required under the IBF Private Banking Standards.

Q30 How can a Covered Person apply for IBF Certification in Private Banking?

A30 A Covered Person can only be certified after he has successfully completed the required IBF accredited programmes. To apply for IBF Certification, please refer to www.ibf.org.sg for more information.

Q31 Is there an application fee for IBF certification application?

A31 There is currently no fee imposed for IBF Certification applications. However, IBF reserves the right to charge a fee in future.

Q32 Does the mandatory IBF certification requirement apply to Relationship Managers with more than 3 years of Private Banking experience overseas? Would a break-in-service be allowed?

A32 Individuals with experience as Private Banking Relationship Managers outside of Singapore can consider this as part of their years of experience. The relevant experience outside of Singapore need not be continuous. These individuals would, however, still be required to pass the CACS Assessment to assume the role of a Covered Person

Q33 Can Relationship Managers with 2 years of experience as at 1 Jan 2019 attend a level 2 IBF-STS Private Banking programme if they have not been IBF certified for level 1?

A33 As IBF level 2 is designed for senior RMs with more than 3 years of experience, it is recommended that they complete level 1 first before moving on to level 2.

Q34 What are some CACS CPD activities that you would recommend for senior management to meet the IBF-STS training requirement?

A34 Senior management could consider:

- a) IBF-STS accredited programmes in newly developed areas for Private Banking (e.g. digital skills, cross banking and market specialization)
- b) Participating as a trainer or assessor for IBF-STS accredited training in private banking
- c) Participating in the Asian Financial Leaders (AFLP) Programme by Singapore Management University, the Asia Leaders in Financial Institutions (ALFI) by National University of Singapore or equivalent leadership programmes.
- d) Participating as a member in Private Banking Industry Group (“PBIG”) or IBF Private Banking Workgroup (“IBF PBWG”)

SECTION (E) – PROGRAMME RECOGNITION UNDER IBF STANDARDS TRAINING SCHEME

Q35 What are the IBF Standards?

A35 The IBF Standards are a set of competency standards for financial skills. They form a comprehensive quality assurance framework with both an accreditation and a certification system.

Q36 I am a Financial Institution / Training Provider, can I get my training programmes accredited under the IBF Private Banking Standards?

A36 Financial institutions and training providers may apply for their programmes to be accredited under the IBF Private Banking Standards. For more information, please visit www.ibf.org.sg
